Elections are the most important responsibility of everyone through which we choose the right person to lead our country on the way of progress. The main reason for leave is that in the last elections groups of two rivals of our area quarreled with one another it caused a lot of damage to the lives of people. Due to the last incident, the government has decided to seal our area. The government may also block transportation. I do not have any personal conveyance, so it would be difficult for me to come to the office. I request you to grant me one day's leave. Thank you. Mr. Cahill Intern, Accounts Election Day Leave Application Letter The Coordinator Community High School, Westminster, UK. SUBJECT: ONE DAY LEAVE APPLICATION FOR LOCAL BODIES ELECTION IN AREA OF RESIDENCE Dear Madam, It is kindly stated that today, the elections for local bodies are being held in the north constituency that includes my residential area. The elections timings are contradicting with that of my classes. No public transport shall be available in the area today due to elections. For this reason, I shall not be able to give the lessons today at school. Kindly approve my request for leave, and oblige. Yours Sincerely, Magda Leave Application for Election Day Manager Admin, Institute XYZ. Subject: Request to grant One day leave for elections in my area Dear Sir, I am writing this application to grant me one day's leave for elections in my area. Our country has a parliamentary democracy, and elections are the most important activity to ensure a better country's future. I work in the morning shift, so there is a clash between polling time and my office timings. So I have to choose between one of the two. The election comes only once in five years, and it is the only chance that we get to choose the right person for us, so we don't suffer for the next 5 years. Secondly, all the areas are blocked due to polling booths and help centers. The candidates also book all public transport in the area so it will be tough for me to reach the office as I don't have a personal conveyance. Thirdly, there is always a possibility of a clash between the rival candidates that may result in bullets. My area is quite safe, but there are some areas in a constituency that are declared to be highly sensitive. It is very dangerous to come out of the house, and pass through these areas. It is my humble request to please grant me a leave for one day to fulfill my national obligation and keep myself safe at the same time.
