Safety Precautions

Safety First

Regardless of how enthusiastic you may be about getting on your equipment and exercising, take the time to ensure that your safety is not jeopardized. A moment's lack of attention can result in an accident, as can failure to observe certain simple safety precautions.

1. Read, study and understand the Owner's Manual and all the warning labels on this product. Furthermore, it is recommended to familiarize yourself and others with the proper operation and workout recommendations for this Tuff Stuff product prior to use. Some of this information can be obtained in this Owner's Manual, as well as from your local Tuff Stuff retailer.
2. It is imperative that you retain this Owner's Manual and be sure all warning labels are legible and intact. Replacement Owner's Manuals and labels are available from your local Tuff Stuff retailer.
3. Consult with your physician before beginning any exercise program.
4. Use proper discretion when children are present.
5. Frayed or worn cables can be dangerous and may cause injury. Periodically check these cables for any indication of wear.
6. Keep hands, limbs, loose clothing and long hair well out of the way of moving parts.
7. Do not attempt to lift more weight than you can control safely.
8. Inspect the Odyssey Home Gym for any sign of wear on parts, hardware becoming loose or cracks on welds. If a problem is found do not use or allow the machine to be used until defective part is repaired or replaced.
9. Pay special attention to the Push Pull Pins (#53 and #54) located on Press Bar Selector Housing (#17), Front Upright (#3) and Leg Extension Bench Frame (#11). See Fig. 1. Be sure they are fully engaged into the selectorized holes. Refer to Fig. 2 for further illustration of this warning.
